“ *I got to know Robert via Tiktok, many of us did, he had an amazingly caring heart and was loved by so many of us in the community there. We had been concerned after not hearing back from him for several days and feared the worst. we are all deeply saddened by his passing and send our warmest condolences to his friends and family.*

To my baby brother. God knows how much I miss you. I still wonder about "His" plan. I hope whatever it may have been that you have been promoted to Guardian Angel. Because to mum and I that's exactly what you were.

Eternally your sister

Mel. See you on the side bro
