“ *My condolences to Rob's family...*

I grew up in Rob's childhood neighbourhood. I knew Sandra, Rob but mostly Cheryl. I have many memories of his family. My first birthday party, picking and eating my first wild mushrooms with his family, picking grapes, eating green apples and just spending time with a very awesome family! I was one of the "little kids" but remember Rob very well.

So sorry to hear of his passing...

Send my love to Cheryl too.

*Hugs,

Robert was my cousin on the Woznuk side. We were very close in age and I always think of him with such fondness. I'm so sorry to hear of his passing. May he rest in peace.
