“ We were so sad to hear about Ron's death. Seems like we just seen him a few days ago heading down our street at the campground with his boat. Always had a smile and waved at us on site 49. So sorry to Brenda and her family. You were our first visitors when we moved into our trailer. We are so sure you will miss him terribly.

“ We have known Ron and Brenda for over 11yrs at Miller's Family camp. Their trailer is across road. They made us feel welcomed as soon as we moved in. We will truly miss all of Ron's routines from starting up the lawn mover shortly after arrival to getting the boat ready for fishing first thing in the morning. He always made us nervous when he got up on the roof of the trailer to wash it. We've had some great conversations around the fire to hearing all about the fish he caught. We will all miss him so much!! Our sincere sympathy and condolences go out to Brenda, the boys, and the rest of his family/friends. RiP Ron ❤️
