“ *I had the pleasure of working with Scott for a number of years at LTI, he was a wonderful person and we shared a lot of laughs, I bent his ear on numerous occasions about going back home to live in NFLD and he always said Peggy someday you will get back there and he was right and now he has gone home to his final resting place in heaven among all the angels. To his family, he will truly be missed but not forgotten and take comfort in knowing that others are thinking of you in your time of sorrow, God Bless.*

“ well I met scott about 12 years ago and he was one of the biggest influences in my life he showed me I have a natural talent for sales and showed me how to use that talent. I would not know what I know , would not have gone where I've gone and would not be where I am if not for scott.. It's been a few years since I talked to him but you will be missed and will be in my heart..
