“ *So sorry I was not able to make the visitation or funeral. Thinking of you during these memory times. I brought Mom to Nithview about a month ago and there was Siebert sitting by the door. He greeted us with a smile, Mom sat down beside him and we visited with him for awhile. He was his usual witty self and we were so glad we could have the time with him. A good memory. “ I remember being in Wellesley and sharing friendship and family times with Seibert and Violet. As well as in Stratford with Seibert and Beth, when I cleaned for them. I also have fond memories of Seibert and Violet at Green Acres Park and how helpful and kind they were to my Mother who also had a trailer there. Deepest Sympathy to the Cook Family.
