If desired, donations to the Stratford Rotary Hospice or Peaceful Meadow Retirement Residence, Brunner would be appreciated. A special thank you to the wonderful staff at The Stratford Rotary Hospice, for their compassionate care of Dad (and Mom.) A thank you to the Faith Ministry for taking the time to visit them and pray for our family, to Dianne Bauman for providing care for Dad last weekend, and to the

many visitors who came from far and near to brighten his day. To all the neighbors that visited, dropped off food and treats and even delivered the mail, it's been a hard week for the Brunner community, but your caring over the last 4 weeks is so much appreciated.

We pray God will bless each one of you abundantly for the kindness and caring you have shown our family. It was the many prayers offered on our behalf that helped us walk this very difficult journey.

The service will be live streamed, and the link can be found on the funeral home website.

“ *Stanley was always kind to me as a young niece to his brother Enos Gerber. I spent many summers, and holidays at Uncle Enos and Aunt Rita’s farm, in Poole, and therefore had visited the Gerber home farm often. The whole family was very warm and inviting to me, many meals at Grandma Gerber’s table, with lots of laughs, and hard work. Stanley was one of many great examples of the Gerber family, that displayed the true love of God, through their loving attitude and acceptance of others. Rest in peace Stanley!*

“ Dear Erma and family
We pray God’s comfort and peace on all of you as you grieve the passing of Stanley. We are grateful for the way Uncle Stanley blessed our lives over the years and his kindness and warmth. I remember many days on the farm with him as a boy and his love for my mom and dad over the years. May the Lord bless and keep you all and grace with his presence in the days ahead. We’re sad we could not be present for the funeral. Please know of our love and prayers for all of you.
