“ *Tom's presence has and will continue to be missed by those who have known him. His greeting was usually a nod of his head, or on occasion, an engaging conversation about past times often punctuated with great expression. When he wasn't walking with his music at his side, Tom often rested on the benches placed throughout Wellesley. His life in our community offered us an opportunity to engage with him as a fellow neighbour. May he find peace and rest... and music.*

“ *I am going to miss my conversations with Thomas during our travels with Kiwanis Transit. He was a very passionate and caring man. I am fortunate to have purchased some of woodworking and will treasure them in his memory. RIP Thomas*

“ *Tom was a fixture in Wellesley. Always seen walking up and down Nafziger with his radio in his bag playing his favourite oldies, visiting all of the shops etc. His absence lately was certainly noticed and missed. May he rest in the sweetest peace.*
