“ My deepest condolences to Aunt Viola's Family ❤️ I have a lot of great memories staying over at her house with Sandra and Brenda. I remember her always getting in the feather tic for us to sleep on , picking Cortlands in her orchard and noodles and milk! Also remember her love for magazines and comic strips! Also remember how much I loved her brown stove and fridge! Lol anyone who knew her felt her love and open invitation to come visit! There was a row of chairs in the kitchen so everyone could sit. I learnt my card skills around that table. May she rest in paradise and enjoy her reunion with her past loved ones! ❤️ love Cheryl Brooks and family
