“ *So sorry to hear of Walter's passing. For a number of years, Walter purchased beef stockers from my dad, Harold Baumbach. I always remember Walter and my dad sitting at the kitchen table doing the "high financing" and there was always a couple of beers involved. Rest in Peace!*

“ *Walter was a kind ,soft-spoken,gentle man,who would always be there for you . He was the kind of Uncle that you could joke with,or play a prank on. One time my other uncle and I knew where Uncle Walter kept his beer good and cold. So one evening we decided to stop and have a few on him. We drove in his laneway.lights out and helped ourselves to his cold beer and replaced each bottle with water. The next time I saw Uncle Walter, he already knew what we had did. He growled at us but then he laughed along with us. He was the kind of man you could count on to be there for you. He will be sadly missed by his nephew and godson Kenny.*
