“ *I am so sorry for your loss. I knew Dean back in the days when I lived in Wellesley...my parents owned The Shed restaurant and the Village Shoppe. After Deans accident Mary Jane Bast and I went to visit him in the hospital...he had such an indomitable spirit...charming the nurses and staff! He made us laugh so much on that visit. I ran into him again one night when he spun me around on his wheel chair...again he was just this incredibly beautiful human being filled with joy and light.*

I wish you all peace love and healing...

“ *Lewis and Idella and the entire Nafziger family - my sympathies to you - we have all lost a great friend in Dean. After reading all the memories, you get a feeling to just how independent Dean really was - he had friends everywhere he went. I will miss Dean greatly - he was always a VERY good friend to me - ever since we were really young at Chesley Lake.*

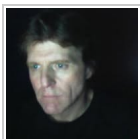

Deano - hope you are running around up there like a crazy man! So sorry, I couldn't make it to the viewing or funeral - we were out of the country. Till we meet again Dean!!

“ What a beautiful soul we have lost but no doubt has moved on and is sharing his sense of humour and inspiration with friends and family on the other side. The difference now is he is walking freely with a giant smile and is able to greet those gone before us with no restraints or limits. I love him and I will miss him. I truly hope when I see him again we can walk together and he will tell me how freedom feels at last. You were one of the best Dean. I feel fortunate to have known you. Godspeed to you. Anything is possible now. Until we meet again. I'm sure you will have a joke to tell me when I see you again. Xoxo. My thoughts are with your family and the heavy loss they must be feeling now. God bless you all.

“ To the Nafziger family we are so sorry to hear about the passing of Dean we have many memories from Chesley Lake and as well worked with Dean for over 26 years at Weber. He was a man with strong will and determination and was always trying something new to make a better way in life. In the days and weeks ahead as everyone adjusts to the new normal and that our creator has a bigger plan and one day we will all understand it.

“ *“My Brother From Another Mother” is what you always called me. It was a phrase that stuck with us throughout the years, likely because there was a lot of truth to it. We were like brothers. We didn't always agree with each other yet always there for each other. Our intertwined family backgrounds, late night bbq's, wheelchair off-roading on local bike paths, our shared love for Mennonite potlucks, checking out the scenery at the St. Jacobs Market together. All these things and many more will be greatly missed. I always admired your drive, determination and fight for independence. The Rick Hansen fundraising events that wouldn't have happened without you. R.I.P. “Bro” a part of you will always be with me. See you on the other side.....
Best Wishes & Condolences to the entire Nafziger family. You had an awesome son, brother, uncle & great uncle in “Deano” My thought & Prayers are with you....*
