“ *My Uncle Bill is the eldest of 6 brothers and 3 sisters. He has always been so much larger than life to me, He drove big Trucks all over North America since the 60's. He worked hard to provide for his family. He always had the fastest cars, the loudest exhaust and the nicest looking Harley Davidson motorcycles. Uncle Bill is a biker through and through, He took me to Fort Worth texas with him in the 18 wheeler, He and i shared many laughs and many deep conversations. I'm going to miss his wicked trucker and biker stories, I'm going to miss his laugh, and mostly I'm going to miss having him close by me. I'll miss his sharing of native traditions and his spirituality. We will see each other again, in the spirit world. Until then I will hold him close in my heart, and the spirit of Uncle Bill will continue to live on in the hearts of his family forever. Rest in Peace Uncle.*
